A Sustainability Vision

At Team CLD we want to reduce our carbon footprint at a local level to help towards the national level and ultimately Globally

We are Greener Dentistry members

We will be an Eco-conscious Oral Healthcare Team

We promise to do this by all means possible

We want our future generations to be protected

We have a Corporate Social Responsibility and will do this by engaging ourselves and partners

We are aiming high and are ambitious to be successful in this endeavour

Our Sustainability Champion is our Practice Manager Karen Suarez
